Work Experience

Mainline.gg

Design Lead, Creative Services | Feb 2021 - Feb 2022

Led a multidisciplinary team of designers to handle external client and internal company design needs. Developed systems, processes, and tools to streamline production and build a cohesive brand. Served on the company diversity and inclusion team.

Mainline.gg

Sr. Designer, Creative Services | Apr 2020 - Feb 2021

Handled external client and internal company design needs. Managed freelancers and coordinated team workload and workflow with account managers. Developed initiatives to help fuel company culture and team building.

FanReact/Mainline.gg

Sr. UX/UI Designer | Dec 2017 - Apr 2020

Worked with a UX manager and developers to create flows, wireframes, and mockups. Coordinated with developers and QA to ensure proper implementation.

Field of Study Design

Digital Designer & Developer | Jan 2014 - Dec 2017

Collaborated with designers and creative directors on branding and web projects from concept through development. Implemented tools and processes to deliver higher-quality websites while cutting production time.

MMI Agency

Digital Designer & Developer | Aug 2012 - Jan 2014

Collaborated with creative directors, account managers, and PR directors on developing and executing digital projects and integrated media campaigns. Assisted in the foundation and execution of a mentorship program for advertising students.

Education

Texas State University-San Marcos

BFA Communication Design | Jan 2007 - Dec 2010

Completed coursework in web/digital design, illustration, and branding/identity.
